Opening:

The Employer has welcomed all the participants and has pointed out to the participants that the event was held in accordance with para 2.3, Section II - Instructions to Consultants and Data Sheet, aimed at providing the first-hand information of the assignment.

The Employer has made a presentation on the scope, objectives and expected deliverables for the implementation of the aforementioned consultancy services contract. Also a brief overview on the funding sources of the project has been made.

The Employer has drawn the participants' attention to aspects from the Request for Proposal of outmost importance, such as the selection procedure, estimated key experts time input, currency of proposal and taxes, technical evaluation criteria, qualifications of key experts, and other prevailing characteristics of the project.

Questions and Answers:

The Employer requested Consultant's representative to address their questions. As no questions have been raised at the Pre-proposal Conference, the Consultants have been requested to address their question in written form, if any, in order to get a formal reply from SRA, through the Clarifications document, which will be sent to all invited Consultants after its coordination and approval with the Bank.

Closing:

At the end, the Employer thanked Consultant's representatives for their participation and wished them success in the upcoming selection process.
