Project Name: **Road Sector Program Support Project**

Country: **Republic of Moldova**

Project Number: **2006 0485**

Bid/Contract Reference No:

Contract RSPSP/W2/03 "Rehabilitation of M2 Chisinau-Soroca road km 54+850 – km 71+165"

Scope of Contract: The works will comprise Asphaltic Concrete overlays laid over existing surfacing which will require reshaping by, milling off high spots and laying regulating courses to areas. The leveling operations of the existing surface cracking must be rectified to prevent reflective cracking through the new overlays.

Structural works comprise construction of a new bridge with the span of 6.0 meters, remedial works to one bridge and a number of minor structures.

Also construction of 800 meters long embankment with the maximum height of 1.9 meters will be required for which a diversion road will be constructed. For the rest of the road section no diversion roads are foreseen and it is expected that the Contractor will execute the works by using half- or partial-width working.

Duration of Contract: 18 months
