REPUBLIC OF MOLDOVA

ROAD SECTOR PROGRAM

STATE ROAD ADMINISTRATION

AMENDMENT No.1 to the Request for Proposals

Selection of Consulting Services for Project Implementation Support

under the Contract RSP/CS/TA/01/2024

General:

The following amendment articles are applicable to the Request for Proposals Document No. RSP/CS/TA/01/2024 "**Project Implementation Support**".

Article 1

Instructions to Consultants and Data Sheet, Evaluation Criteria, the Table showing the sub-criteria, according to which the Key Experts will be evaluated, shall be deleted and replaced with the following:

The Key Experts will be evaluated according to the following sub-criteria:

POSITION (and minimum sub-criteria to achieve the minimum technical score of 70% and be rated as Satisfactory)	Maximum Weight 100% (when rated Excellent)
☐ KE1 International Engineering and Management Consultant/ Team Leader	31.5
General Qualifications and General Experience	3.15
Bachelor's degree in engineering or similar field	1.15
20 years professional experience	2
Specific Experience	27.72
10 years international experience including IFI-funded projects	1,5
Assessment of feasibility studies: review of engineering designs; traffic safety and safety auditing of road schemes	1
Contract management experience to include hands-on experience of dealing with variation orders, extensions of time and claims	1,5
Experience in the financial management of multiple construction contracts to include monitoring advance and interim payments and settling final accounts	0,5
Experience of application of the EBRD Procurement Policies and Rules in road projects	0,5
Demonstrable hands-on experience in the successful implementation of at least one contract in the road sector financed by one of the major IFIs in a	1.5
similar advisory role	1,5
Experience in quality assurance, materials in road construction	1,5
Extensive international experience in construction supervision under FIDIC (Red Book) Conditions, highway and bridge engineering	1,72
Experience in participating in contractual mechanisms for dispute adjudication/avoidance/arbitration proceedings:	-
Preparing Employer's position in response to the works contractor's claims	6
Preparing Employer's counter-claims in response to the works contractor's claims	3
Proven experience in handling claims for extension of time for works completion	3

Proven experience in handling claims for additional costs submitted by works	
contractors	6
Language skills	0.63
Fluency in written and spoken English	0.4
Able to write clear, concise technical reports	0,23
☐ KE2 Engineering Specialist	13.5
General Qualifications and General Experience	1.35
Bachelor's degree in engineering or similar field	0.35
15 years professional experience	1
Specific Experience	11,88
10 years international experience including IFI-funded projects	2
Contract management experience to include hands-on experience of dealing	1.5
with variation orders, extensions of time and claims	-10
Experience in the financial management of multiple construction contracts	0.38
Demonstrable hands-on experience in the implementation of at least one	1.5
project in the road sector financed by one of the major IFIs in a similar	
advisory role	
Experience in quality assurance, materials in road construction would be	0.5
considered an asset	
Extensive international experience in construction supervision under FIDIC	2
(Red Book) Conditions, highway and bridge engineering	
Experience in participating in contractual mechanisms for dispute	
adjudication/avoidance/arbitration proceedings:	1
Preparing Employer's counter-claims in response to the works contractor's claims	1
Proven experience in handling claims for additional costs submitted by works	3
contractors, including assessment of the quantum reports	3
Language skills	0.27
Fluency in written and spoken English	0.17
Able to write clear, concise technical reports	0.1
Able to write clear, concise technical reports	0.1
☐ KE3 Procurement Expert	27
General Qualifications and General Experience	2.7
University degree in finance, economics, law, management, engineering,	1
business or commerce or any other discipline relevant for the project and	
scope of the services required	
At least 15 years general professional experience	1.7
Specific Experience	23.76
At least 7 years of specific experience in the following aspects: preparation of	
Tender Documents for Works and Requests For Proposals for Construction	
Supervision, clarifications, attendance at associated meetings, evaluation of	1
Tenders and Proposals, preparation of associated reports (Prequalification,	1
short-list, Evaluation, etc.) in road projects, conducted per IFI procurement	
procedures	
Proven experience in dealing with IFI comments (on procurement-related	0.76
matters)
